If any Members would like to submit amendments for consideration, they may submit them directly to Christina Parisi at Christina.Parisi@mail.house.gov. The Committee may give priority to amendments submitted four hours prior start of the business meeting; however, Members are encouraged to submit such materials at least 24 hours prior to the business meeting so they may be circulated to all Members prior to the meeting.

If any Members would like to submit documents, exhibits, or other materials into the record, they may submit them through the Committee's electronic repository at Oversight.Clerks@mail.house.gov. Members are encouraged to submit such materials at least 24 hours prior to the business meeting so they may be circulated to all Members prior to the meeting. Submitting such materials after this period, or during the meeting, may delay both their distribution to other Members and their approval for entering into the record.

Members joining the meeting are asked to connect by 9:30 a.m. ET to ensure their participation and troubleshoot any connectivity issues. Only Members and approved Committee staff are allowed into the Zoom platform. All other staff may watch via livestream on the Committee's [website](#). Members who have difficulty connecting may contact Aidan Miller with the Majority staff at (202) 225-5051 or Ashlee Vineyard with the Minority staff at (202) 680-3089. Members will be sent the meeting invitation link via Outlook once RSVP'd.

Per the Office of the Attending Physician's (OAP) guidelines, and in consultation with the Architect of the Capitol, the Chief Administrative Officer, the Sergeant at Arms, and the Committee on House Administration, the hearing room has been reconfigured to provide for social distancing. As a result, seating in the hearing room is extremely limited and may not be able to accommodate all Members at one time.

In light of current guidance from Centers for Disease Control and Prevention (CDC) and OAP, all Members and staff must wear must properly fitted, medical-grade, filtration face masks (KN95 or N95 masks) at all times, regardless of vaccination status. Members may remove their masks only when recognized by the Chair to speak.

Attached are Zoom user guides that demonstrate how to: (1) manage various user features; and (2) ensure the best user experience by employing general best practices (e.g., optimal lighting and sound conditions). Members interested in testing Zoom before the meeting should contact Morgan Solomon to arrange a test.

Accommodations for individuals with disabilities may be arranged by contacting Chioma Chukwu at OversightAccommodations@mail.house.gov or (202) 225-5051 at least three business days in advance of the scheduled business meeting.
